THROUGH THE YEAR . . .

A Yearbook is the history of a year of school. It is the Annual Staff's sincere hope that this book of memories will be treasured always. It is a group of pages that hold your friends, your activities, and even your enemies. But most of all it is your Youth; a time captured in these halls to remain for all times.

STUDENT LIFE

MORE TALK THAN ACTION

With seven periods, the noon-hour is shortened and students crowd together at the concession stand; then retreat to the locker room. Group of students gather to exchange friendly conversation because of limited time

for organized activity. Everyone is looking forward to a student lounge where action and relaxation away from classroom atmosphere can be experienced. Meanwhile, students are pictured in their normal noon-hour role, which provides an outlet from tedious school life.

BUSY FINGERS AND MINDS

Elmira High School students take time out from the hustle and bustle of extracurricular school activities to concentrate on the more serious aspects of learning.

Thinking of the future, these students are preparing themselves in the best possible way; by getting an education.

Sophomores just beginning to understand the work involved, have a long road to travel.

Juniors, well on their way, have accepted the responsibility of hosting the Prom.

Seniors, with the completion of high school are ready to embark upon a new journey.

WORK, PLAY, IT'S ALL FUN
NO MATTER WHAT YOU CALL IT

ADMINISTRATION

SEVEN MEN GUIDE OUR DESTINY

LEFT TO RIGHT: Clerk; Jack Warren, Ted Allison, Clarence Peterson, Lawrence Turner, William Bartels, Chairman; Ben Inman, Superintendent; Richard Scott.

The School Board was especially active this year. Their cooperation with the Booster Club provided lights for the football field early in the year. Through the year they made important decisions for E.H. S. students by allowing an Open Campus at Elmira and allowing boys to wear Bermuda shorts to school.

Besides successfully getting the budget for next

year passed by the community, they were responsible for added facilities to E.H. S. such as the new Art Department Building. Recommended by Superintendent, Richard Scott, Citizen advisory committees were formed to help the whole school district. The fine attitude between the faculty and the school board this year is to be commended.

SUPERINTENDENT

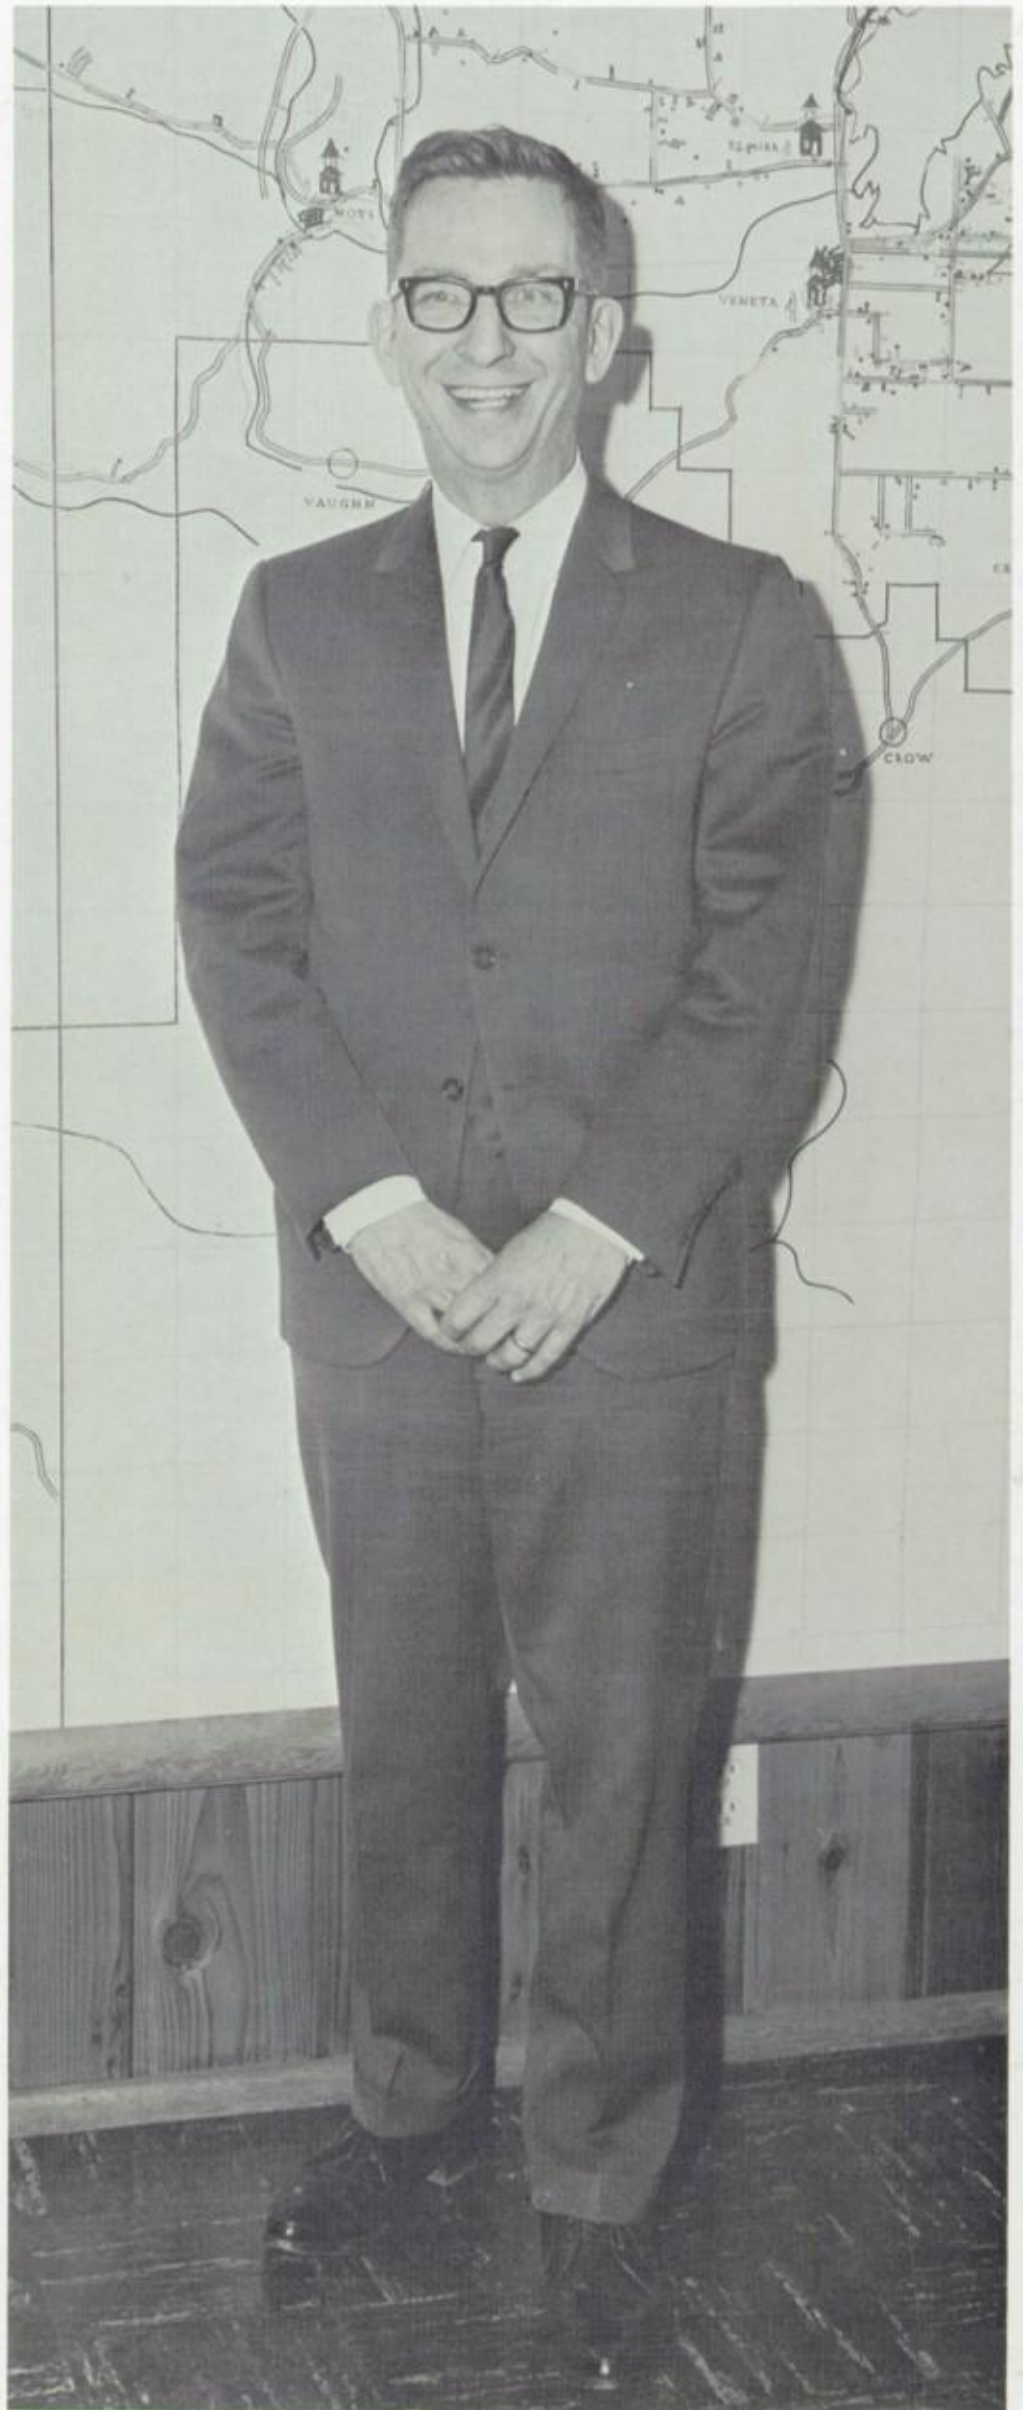

MR. RICHARD SCOTT

'I would like to extend my congratulations to the students of Elmira High for the responsible roles they have played in the tremendously successful 1966-67 school year.

Each accomplishment --- leadership in your Student Council, in your great sports triumphs, in publications, music, speech, dramatics, and other activities, and in plain old-fashioned good responsible citizenship, you have made the image of Elmira High grow. It has grown in the eyes of the community and it has grown throughout the county and state.

This happened because you had the maturity to see some of these worthwhile goals that can be accomplished when you grab at the challenge of responsibility and not waiver in the face of an occasional disappointment or setback. Once again please accept my heartiest commendation.'

"This annual will be cherished in the years to come as a record of the 1966-67 school year. The stories of the many successes of Elmira High School are told as reminders of a host of other memories; I hope they were all good.

Congratulations and best wishes in your future plans. It has been a pleasure to get acquainted with the many fine students of Elmira High. I would like to congratulate the Seniors upon the completion of your high school work, and extend to you my best wishes for a happy, secure future; a future that I am sure will be brought about by your own hard work and continued training."

Mr. Uhlien Love, Mr. Marvin Buchholtz and Mrs. Cora Hamner, work hard to keep our school clean and neat. They can be seen doing almost anything around the school such as washing windows, cleaning rooms, and trimming the lawns.

Mr. Love and Mr. Buchholtz have both been employed at Elmira High School since 1958. Mrs. Hamner has been working for our school four years now.

Our schools appearance is due to their hard work.

SPORTS

FALCONS ADVANCE TO LEAGUE PLAY OFF

Elmira Falcons began the football season by rolling over host Gold Beach 14-7 in non-league play.

The Falcons' spirits were high for their first home game as they defeated Drain 21-0 on the new Falcon field. This field was finished and new lights put up just in time for a great season of football.

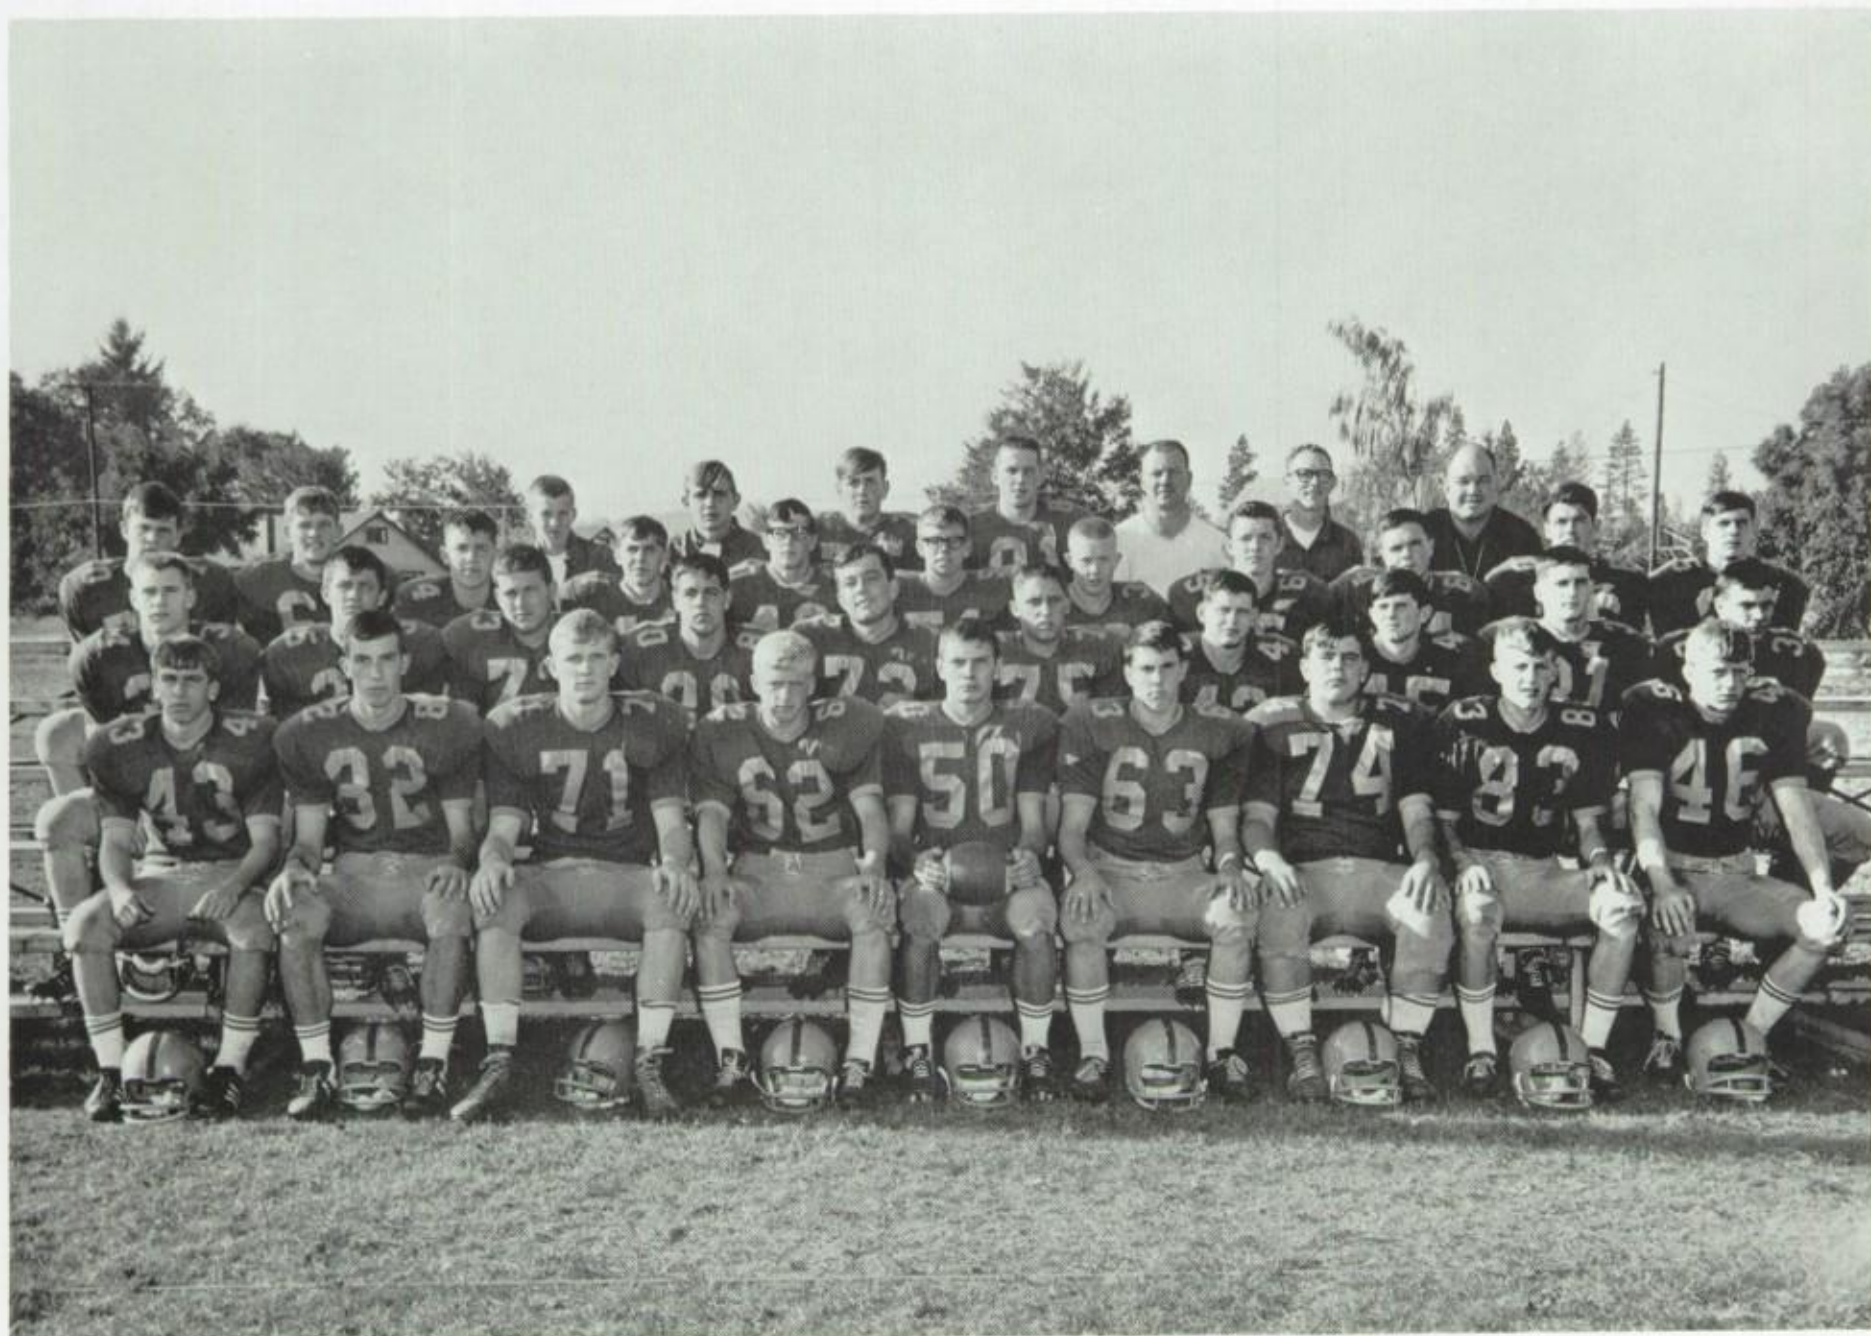

The 1966 backfield swift with backs Dave Dyson, Tim Sullivan, Steve Harris, and Garry Houghton. It was also strong with backs Butch Filly, and Mike Bennett. The team was led by two smart, interchangeable quarterbacks, Ernie Wigham and Dan Adank.

Spirits were high throughout the season as the Falcons were tied in league play standings.

The next two victims on the Falcons list were Creswell and Central Linn. These two teams also were defeated by the scores of 42-13 and 33-13.

By this time the mighty Falcons were well on their way to a league play-off game.

Elmira's Cross Country team, coached by Don Schmidt, placed fifth in District competition this year. Senior Calvin Cook led the team by compiling a record of four first place wins and two second place wins in seven consecutive meets.

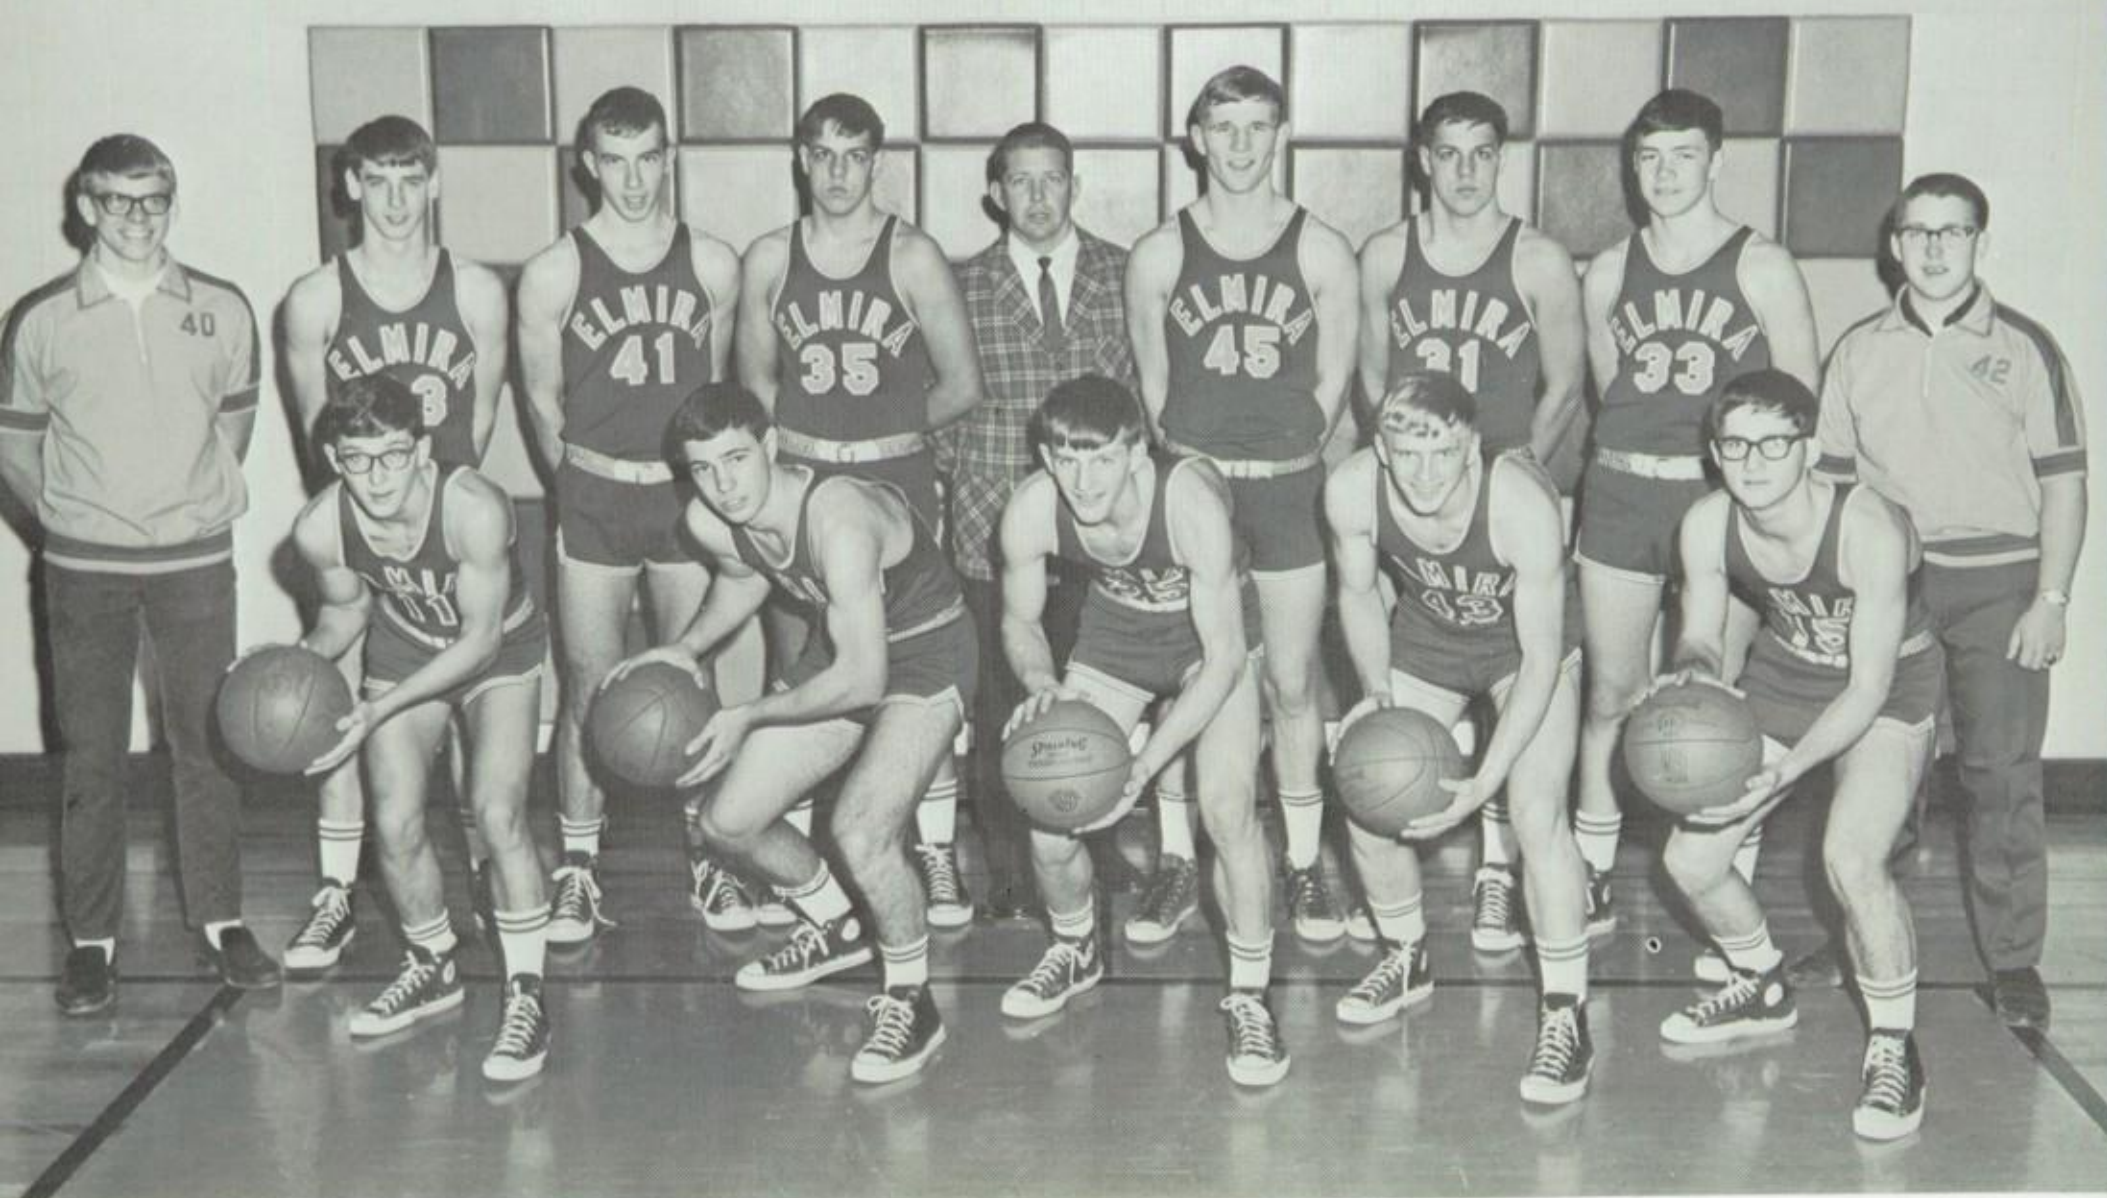

Coach Schmidt's team placed third in League Previews but due to sickness and injuries, placed fifth in a field of eight schools at the District meet. Even with sickness and injury the team and the coach were pleased with the results of the season and are looking forward to a successful season next year.

TRACK

A record breaking year! These were the words used to describe the action performed by the fast moving track team at E.H.S. This year's team broke records in nearly every event.

The Falcons came home with four trophies this year; the Emerald League District 5-A2 Champion trophy for dual meets; the first place Pleasant Hill 2nd Annual Relays; a first place trophy for broad jump won by Brad Richmond, Scott Richmond, and Jim Story at the Central Relays in Corvallis; and the 3rd place State A-2 trophy.

Four boys qualified for the state meet this year. They were Dave Dyson, senior, Keith Story, junior, Jim Story, senior, and Dennis Faulhaber, senior. At the state meet Dave Dyson, sprinter, came in first in both the 100 yard dash and the 220 yard dash. After a hard meet these four boys came up with twenty-five points to place Elmira third in the state.

This year the Falcons had a hard and wet season, the weather played a big part in the wins and losses for the team.

All in all the Falcons came through with a good record for the season. During league play they won four and lost six. This put the Falcons in fourth place in league standings. The record for league and non-league games stood at eleven wins and eleven losses.

Number 19 Dennis Bray swings in a hard hitting game against Eagle Point. Dennis is a junior, and plays first string first baseman.

Doug Harris, junior, prepares to slug the ball during a non-league game with Eagle Point. Doug also was chosen first team all-league center fielder.

Senior, Greg Dragt, also a first baseman, comes through for the Falcons with a good placed bunt. Greg is a three year letterman.

BASEBALL

Mike Bennett, junior, is shown below scooping a grounder in a pre-game warm-up. Mike has played first string short stop since he was a sophomore. He was awarded a medal for having the highest batting average on the team this year. Mike had an average of 392 last year and came back with a higher average of 398 this year. This being Mike's last year of baseball he is looking forward to playing on a semi-pro team this summer.

BAND BOOSTS SPIRIT AT GAMES

Elmira High School band presently under the direction of Mrs. Jane Forvilly, has worked very hard this year. The band went to Siverton to the annual band contest. Receiving an excellent rating at the contest highlighted the band's year of activity. The band members also learned, practiced, and presented a Christmas concert

and a spring concert held outdoors on the grass.

Leaving the school to demonstrate their proudness as a marching band the group participated in the Florence Rhododendron Parade. After a year of work and hard practice, the members looked back and were satisfied that they had sought perfection.

A CAPELLA CHOIR TRAVELS TO SILVERTON

TOP ROW, Left to Right: Charlie Brown, Mike Abernathy, Les Jentzsch, Glenn Harvey, Don McGee, Ed Pritchard, Dennis Faulkner, Robert Force, David Parker, Forrest Gould, David Marion, Roger Brakefield, Mike Faust. The A Cappella Choir and the Girl's and Boy's Ensembles, under the leadership of Mrs. Jane Forvilly, proved to be an asset to E.H.S. in two successful concerts this year; one at Christmas and one in the spring outdoors on the grass. Besides the concerts the choir traveled with the band to Silverton, Oregon to receive a "2" rating at that contest.

Both the choir and the ensembles provided enter-

tainment at E.H.S. school assemblies, including the Annual Awards Assembly. The girl's ensemble also performed at the Mother-Daughter Tea, while the boy's ensemble performed at the Dad-Daughter Dinner.

FALCONETTES SHOW TALENT

Color, action and brilliance describe this year's Falconettes, Elmira's six girl team of majorettes.

Throughout the football season they added entertainment and enthusiasm to the games with their spectacular baton twirling performances.

Midway through the basketball season the group appeared during half time to give their highlight exhibition. With skill and daring the girls twirled with batons of fire in the blackness of the gym to produce a unique effect which held spectators spellbound.

The Falconettes are another example of Elmira's Falcon boosters. The girls attended each game in full uniform lending color and spirit to the festive atmosphere of the game days.

DRILL TEAM KEEPS IN STEP

In its second year of existence, the Drill Team completed a successful year of performances and a variety of other accomplishments.

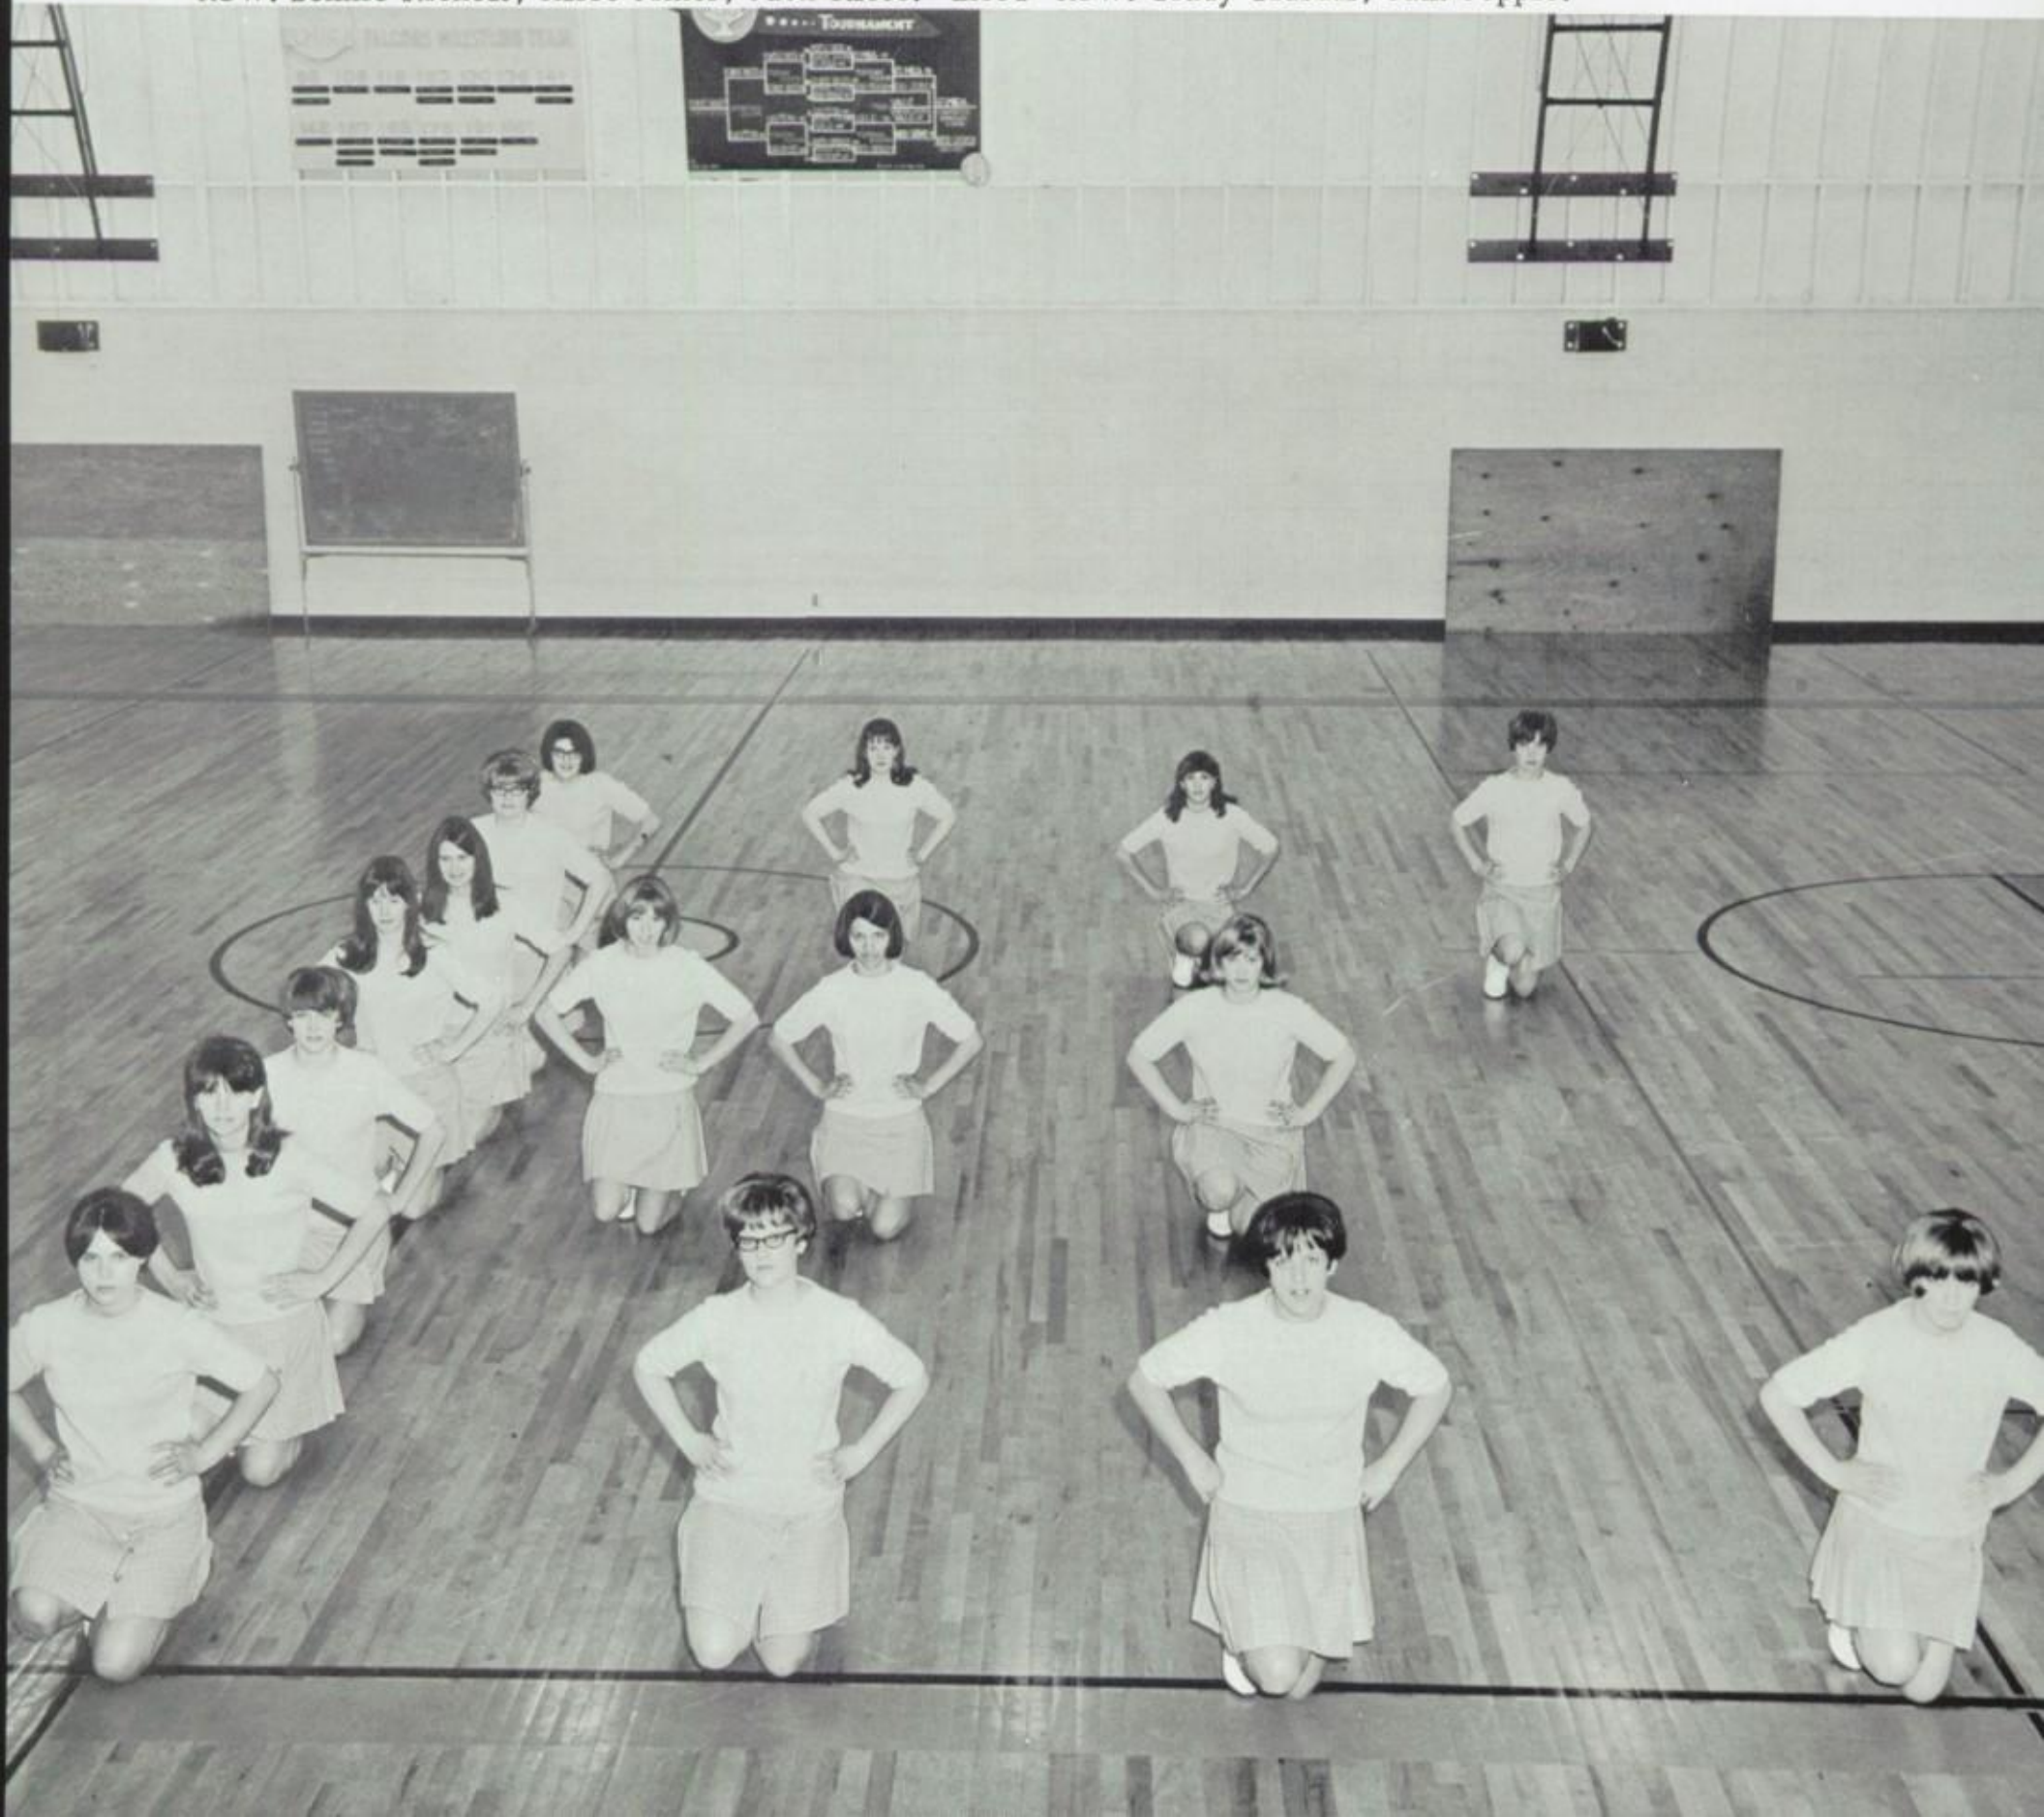

The function of the Drill Team was to perform a marching drill at half time of basketball games. This year the girls marched at the first home game, which was with Creswell, and at the Oakridge game.

One of the major accomplishments achieved this year was the purchase of a complete new uniform.

Through a series of cake sales, car washes, and popcorn sales, the girls were able to earn enough money. Their new outfits consisted of lavender and white plaid kilts with matching sweaters. White gloves, knee socks, and tennis shoes accented the ensemble.

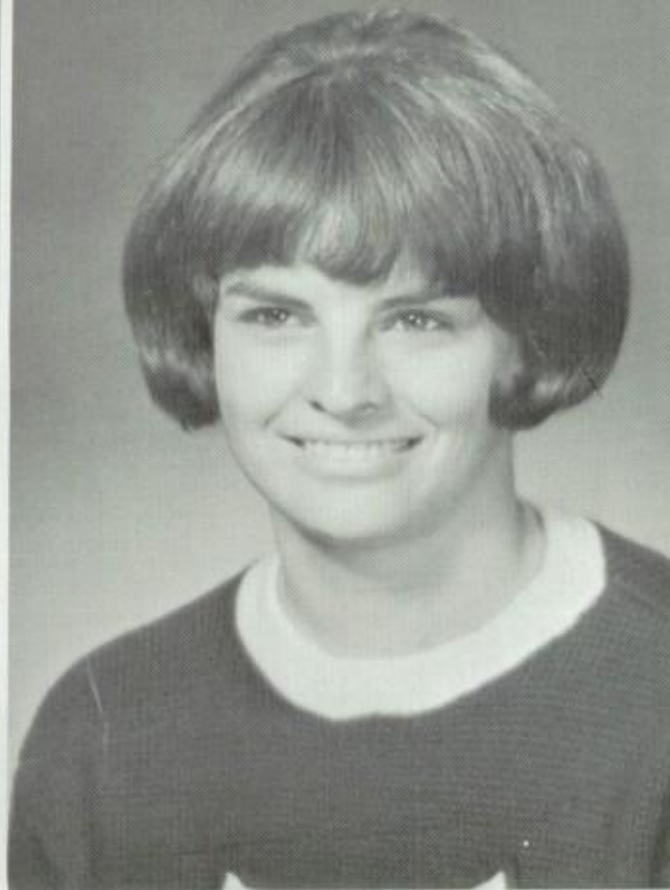

Since it was the dual purpose of the team to boost school spirit for the Falcons during basketball season, the girls complied by wearing their uniforms on the days of the games.

BOUNCE, PEP, AND

Enthusiasm, school spirit, and just plain pep plays a large role in athletic competition at any school. Elmira is no exception and neither was this year's rally squad who lead the Falcon rooters in all of the high spirited events.

Lots of hard work and times goes in to making the rally squad and these ten girls have demonstrated their

will to work for the school and for our team. They should all be credited for this time and energy which helped boost our teams to their destiny.

Another key person in the success of the rally is the advisor, Mrs. Mary McCormick. Many thanks are extended to her and to the work that she has done as an individual for the athletic boosters.

ANNUAL

STAFF--LEFT TO RIGHT: Assistant Editor, Melody Ringdahl; Editor, Terry Kincaid; Business Manager, Nancy Turner; Sports Editor, Gary Houghton; Advisor, Mrs. Joyce Sprouse.

What can an annual staff do besides create the annual? They can lose important pictures, run out of copy sheets before the deadline, blow up pictures too big for the page, and lock themselves out of the annual room.

It may seem hectic but it is an experience they will never forget. They sold ads and interrupted school with their picture taking, but they met their deadline. This annual is the result of their work.

JOURNALISM

STAFF: Editor, Doris Reid; Feature Editor, Bobbye Tidball; Ass't. Editor, Frankie Moore; Sports Editor, Kerry Montgome; Exchange Editor, Becky Conn; Business Manager, Nanci Smigley; News Editor, Kathy Pipkins.

Leading the Elmira High School organizations as one of the busiest classes during the 1966-67 year was the Journalism class.

It has been their job throughout the year to gather the news and assist "The Falcon" staff in publishing an accurate account for the rest of the students to read.

In addition to supplying the stories for a total of nine issues of "The Falcon" newspaper, the class also created a special Christmas issue on their own.

Although the classes followed a hectic schedule to meet their constant deadlines, journalism wasn't a case of all work and no play. Highlighting the year of activities was the annual journalism banquet, and the visit to the Portland-Oregonian offices and the Art Museum.

REPORTERS; Donna Acord, Ben Runyan, Sue Sullivan, Nancy Turner, Mike Stewart, Joleen Haynes.

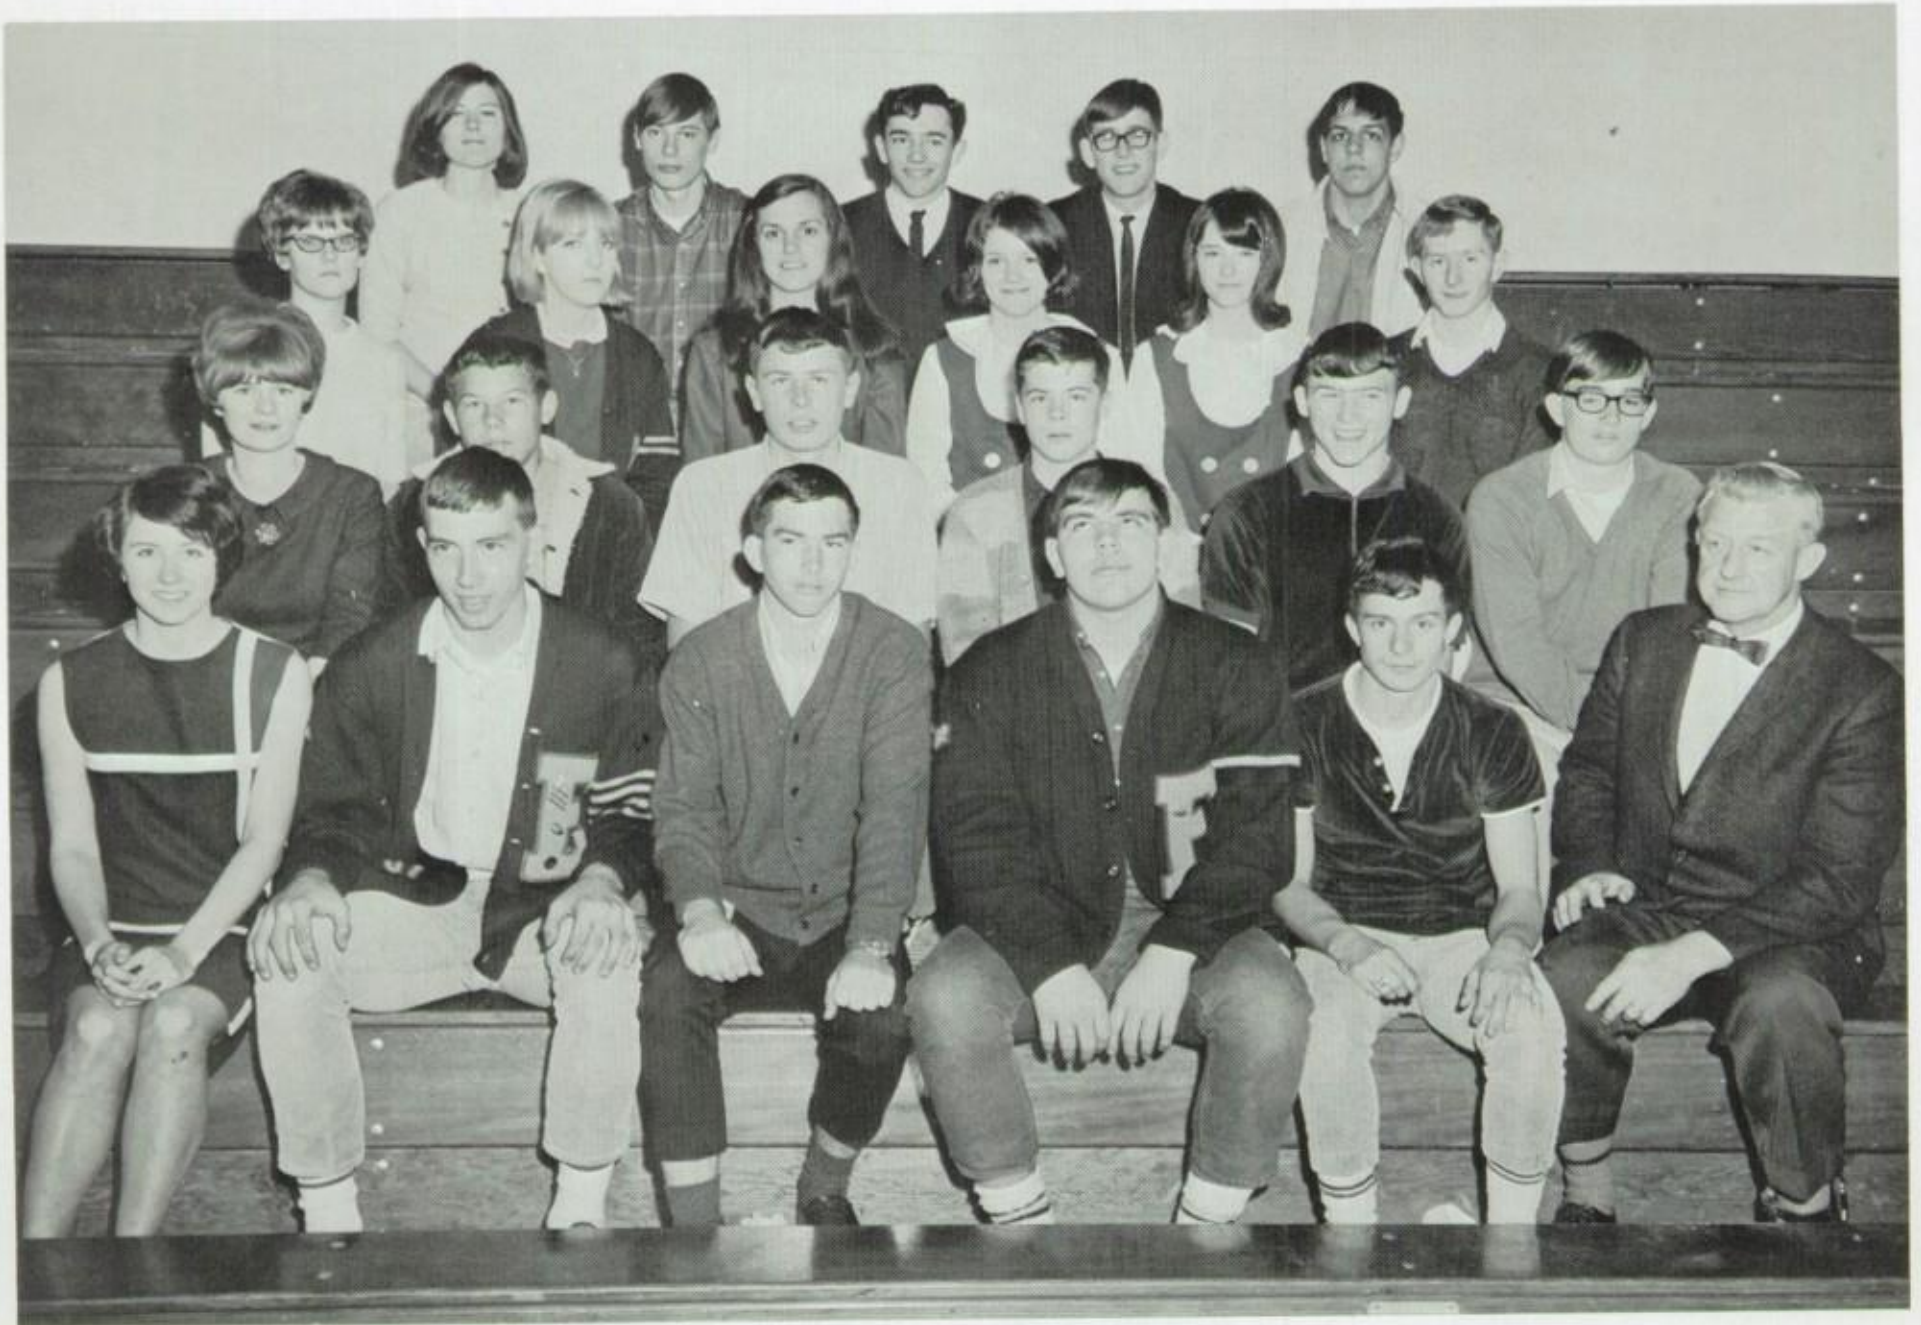

STUDENT COUNCIL PROMOTES OPEN CAMPUS

The school year of 1966-1967 brought many changes to Elmira High as far as the Student Council was concerned. This year's officers, who were as follows: President, Mary Williams; Vice-President, Forrest Larson; Secretary, Terry Kincaid; Treasurer, Randy Allison; Assistant-Treasurer, Janice Mullen; Student Manager, Robin Heide; and Publicity Manager, Mike Stewart, did an exceptional job in managing the government on behalf of the students.

Among some of the changes made in the school

government were a new constitution, limited open campus, expanded activity period, and the privilege for boys to wear Bermuda shorts to school. The monitor system put into effect the year before was discontinued.

The Student Council's efforts are highly recognizable and they indeed deserve credit for all their work and time put into the duty of governing our school. They have done a tremendous job with results that show. Special thanks are extended to their advisor Mr. Dyson who guided them in their judgements and decisions.

OFFICE GIRLS ALWAYS BUSY

Office girls played a very important part in the daily success of Elmira. Various duties they performed included: picking up absence slips, typing the daily bulletin, answering the phones, and many others. These students not only helped the secretary, Loretta Zielinsky, but they also gained experience they may be able to use in the future.

These girls were chosen for their ability to com-

prehend any instructions given them. They must also be dependable, punctual, efficient, and well-groomed at all times.

When called upon for assistance by other students, faculty, or parents these girls were known to be ready to help in any way possible; giving information, advice, and service.

QUEEN KATHY REIGNS

As in the past history of our school, Homecoming is a time when students, teachers, parents, and friends gather together in mutual remembrance and anticipation of Elmira's achievements.

It is a time when school spirit and loyalty is the magnet to which all are pulled and classes unite in a joint effort aimed toward one goal.

Plans for the dance, pep assemblies and the selection of a court were only a few of the exciting, important events to be achieved.

A bonfire, symbolizing the end of a fast and furious season, stirred up mass enthusiasm and drew this year's Falcon fans and all alumni together for their annual opportunity to spec-

ulate on Elmira's games and events; past and present.

Like the farmer who yields his crops and then burns his field to prepare for another year, so the Homecoming events represented the brilliance of the closure of a spectacular football year and a look ahead to another rugged season of hard work and the "burning desire" for more victories.

"GARDENS OF ROME"

ACCENTS PROM

"The Gardens of Rome" was the setting for the 1967 Junior-Senior prom which was held May 20, in the upper deck of the gym.

"The Continentals" provided music for the successful evening which is the main activity of the Junior Class. All during the school year they have been busy raising money through various projects such as selling the concessions during the basketball season, car washes, spaghetti feed and many other events.

The prom was set in a Roman atmosphere. Upon entering the gym you were entranced by the Roman garden with all of its pillars, statues and fountains. Also situated in the garden was wrought iron furniture which gave it that old look.

The dance area created the mood with royal purple walls. Hung from the ceilings were white para-

chutes with purple streamers running to the walls. A revolving fountain was set in the middle of the floor surrounded by five white pillars.

To carry the theme even farther were the sophomore servers who were dressed in togas and wearing sandals. Those serving were Carol Campbell, Arlene Accord, Sandra Riensche, Linda Turner and Paula Souza.

Chaperones for the evening were Mr. and Mrs. Paul Snider, Junior class advisor; Mr. and Mrs. Larry Sprouse, Mr. and Mrs. LaMar Forvilly and Mr. and Mrs. Jerry Blair.

The various committees for the prom were composed of the following chairmen: band, Michael Stewart; food, Nancy Turner; decorations, Ernity Bailey; chaperones, Ben Runyan.

DAISIES DO TELL

AT MOTHER- DAUGHTER TEA

"Daisies Do Tell" was the theme chosen for this year's Mother-Daughter Tea which was held May 11, 1967 in the high school gymnasium. Nancy Walton, 1966-67 Girl's League President was the host.

Modeling was provided by the Home-Ec students and selected models who chose three outfits from J.C. Penney's of Eugene. An added attraction was modeling "Through the Ages" which included apparel from the years 1800-1967.

Later in the program came the installations of new Girl's League and Future Homemakers of America officers. Awards were given at this time. Vicki Dinnel received the award for the Outstanding Student in Home-Ec and Nancy Walton received the Senior Seamstress award. Also honored at this time was Kathy Pipkins who was chosen for the Girl of the Year.

Entertainment was provided by a flute quartet, Girl's Ensemble, and a trio of folk singers. The evening was then closed with many thanks to Mike Burns who fixed the girls hair, Miss Ashlock and Mrs. Blair, the Girl's League advisors and to Mrs. Retzer, F.H.A. advisor.

DREAMS . . . PAST AND FUTURE

Here's where my heart lit up like a beam,
Innocent freshmen fell in love with a dream.

Here we've studied and toiled out brains
There lies ahead many goals and aims.

For through the summers we've worked and waited,
Knowing fun and laughter--as we anticipated.

Here through all of our hopes and trials,
Have been our friends with open hearts and smiles.

Our happiness throughout has always been shared,
With teachers and friends; the ones who cared.

But now we must leave these memorable halls,
Our sorrow is great, but a new future calls.

And so we turn as the new winds sway,
Knowing hopes, dreams, desires may soon come our way.

INTERNATIONAL PAPER

LONG-BELL DIVISION

This symbol of quality

means much to many in the Elmira area. It represents high quality Long-Bell building materials manufactured at International Paper Company's nearby Vaughn Operations. And the national marketing of Vaughn products--like the plywood shown above--creates employment for some 640 people in the mills and woods. Last year Vaughn plywood and lumber products were shipped into every state in the union, with the Vaughn Operations providing nearly \$4 million payroll locally. Vaughn contributes another million dollars to the area's economy annually through local purchases of materials, equipment and supplies. The symbols on these neatly stacked plywood packages also call attention to International Paper's continuing modernization program at Vaughn. This new plywood warehouse addition is one of a number of recent improvements there. Improvements designed to help maintain Vaughn products' position in today's highly competitive marketplace.
